PATMOS

Bedrooms: 5

Bathrooms: 5

Guests: 10

Villa Thetis is luxury villa in the island of Patmos for rent and is the perfect set for guests looking to escape in an intimately authentic Greek island.

Villa Thetis is a private residence villa, prevailing practically alone over a uniquely advantageous ten-acre plateau in the most aristocratic area of the historical island, Epsimia Bay. It literally offers a breathtaking 360 degrees panoramic view of all the spectacular surrounding seas and islands. Decorated and furnished in genuine byzantine style, it aspires to immerse you in the original island life and traditions of Patmos.

The residence offers modern amenities and comforts for those who need a beachfront villa, air conditioning, an ample sized swimming pool, and don't want to have to drive to beaches. Featuring a private 50 square meters pool with sun terrace, the estate lays just 150 meters from Epsimia Beach.

Villa Thetis is ideal for families and group of friends.
