MYKONOS

Bedrooms: 8

Bathrooms: 9

Guests: 15

Overlooking a breathtaking vista of numerous Cyclades islands and the Aegean Sea, surrounded by all shades of blue, crystal waters and bare rocks, this exclusive property Villa Belinda, is situated on the spectacular and prestigious location of Mykonos, Agios Lazaros. Nestled on the cliff-side, superbly constructed and sheltered by almost all wind directions, the building stands out in the surrounding landscape, ideally combining the stark clean lines of local architecture with premium refinement. Classy, elegant and functional at the same time, consisting of spacious living areas and terraces, it ensures individuality and privacy to its guests.

Plenty of cozy corners with cushioned sofas and tables complete the outdoor scene, the centerpiece of which is the infinity swimming pool that blends smoothly into the horizon. Whether you choose to lounge under the sun or sit back on one of the pergola-covered spots, this is the perfect setting to enjoy the amazing colors the sky displays day and night. A few steps lower, the Jacuzzi with room for eight, will definitely be your option for absolute relaxing, looking at the cradle of ancient Greece, the island of Delos. Although the cosmopolitan beach of Psarou with famed restaurants and chic boutiques is a few minutes away, in villa Villa Belinda you can tranquil and seclude for as long as you need.

The interiors are the epitome of discreet luxury. White-washed, lavishly decorated, enriched with numerous authentic paintings, they skillfully mix contemporary design with art and connect the three levels in one and only atmosphere. The pool level contains the living and dining areas together with a fully equipped modern kitchen, directly accessed to the outdoors. From white to creamy, soft beige and pale gray, the color palette emphasizes the natural light that deluges generously inside. The eight bedrooms, all with en-suite bathrooms, benefit from the slope of the cliff edge and provide magnificent view of the sea, even when somebody is lying in any one of the beds. Especially when stepping into the oversize master suite with the large windows and the private panoramic balcony, you will feel like flying over the Aegean Sea.

It's no wonder that Mykonos is one of the most beautiful places in the world, when you consider the sugar-cube houses, the cobalt blue sea and the sandy beaches. The island has an ambiance touch for everyone, either they are looking for restful vacation or lots of nightlife. Villa Belinda is a splendid retreat, while savoring the very best Mykonos has to offer, beyond spaces.
