Villa Khloe is a brand new 4-bedroom villa of a great style, located in Dryos, a few steps from the sea and at only 300 meters from the beautiful sandy Golden Beach.

Villa Khloe shares the estate with its adjacent sister property, Villa Kourtney; the two villas are identical and can be rented either together or independently, depending on the size of your group.

Each villa consists of 3 different settlements. The main house which is at the front side and offers a fully equipped kitchen, living and dining at the ground level, as well as an en-suite master bedroom on the upper level with private terrace and splendid views. Then there are two independent guesthouses, one with a double bedroom en-suite and one with two double bedrooms, both en-suite.

The main meeting point is the pool area, which is at the front side of each villa, right on the sea! The villas were built in 2018 and do offer everything our guests need for a beyond spaces vacation.
